

To Whom It May Concern:

I am very pleased to have been asked to write this letter on behalf of Beau Ankeney. My name is Kenny Coquillard and I have served as the head or assistant coach of the JV or freshman baseball teams at Desert Vista High School in Phoenix, AZ for the last ten years.

I have had the pleasure of working with Beau over the past year as the head freshman baseball coach. From the day I met Beau I have known him to be honest, sincere, respectful and a caring individual. Beau has a great work ethic and he takes every aspect of the game very seriously. He is very committed to his school, the team and his teammates. Beau is very self-confident and is willing to do anything asked of him on and off the field. He approached every opportunity that was given to him in a mature and competitive manner to do the very best he can.

Due to injury, Beau was only able to start 12 of the 18 games during his freshman season. Even though he was limited Beau still was third on the team with a batting average of .344, third with 9 RBI, second with 12 runs scored and lead the team with an .585 on base percentage. What impressed me the most was how great of a teammate Beau was when he was not able to play. He was always in the dugout cheering on his teammates and helping in any way he could to remain part of the game.

Beau has a lot of potential to play this game as long as he loves the game. As a freshman Beau has a lot of power from the right side of the plate with control and great pitch selection. I could count on Beau to play near errorless defense as he has the above average fundamental skills as a first baseman.

Over the last 4 years I have had the pleasure of coaching both Eli (Beau's older brother) and Beau Ankeney and I know they come from family with a great support system. Not only would I recommend Beau for his ability as a baseball player, I would highly recommend that Beau be considered for his character as a young man on and off the field.

If anyone has any questions or would like to further discuss Beau Ankeney as a player or person please do not hesitate to contact me by phone 480-285-9318 or email kennycoquillard@gmail.com at any time.
